How can you partner with us?

1. The Power of Prayer.

We need committed intercessors to pray for us weekly. Please give me a call (804/335-1445) to join this special list.

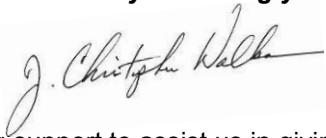

2. Financial Giving

We need to add additional monthly partners, as well as significant special gifts to meet some short term urgent needs.

3. Evangelism Training

We receive additional support and supporters with every speaking engagement in the US on evangelism training. Consider organizing a regional event or a weekend with your church.

Please pray about how the Lord may be calling you to help, and let us know by completing the attached Response Form.

Consumed by the call, 

PS. We need your ongoing support to assist us in giving evangelism training in Latin America.
